

H-1C nonimmigrants as registered nurses.

(2) During the period that the provisions of Appendix 1603.D.4 of Annex 1603 of the North American Free Trade Agreement (NAFTA) apply, subparts L and M of this part shall apply to the entry of a nonimmigrant who is a citizen of Mexico under the provisions of section D of Annex 1603 of NAFTA. Therefore, the references in this part to “H-1C nurse” apply to such nonimmigrants who are classified by INS as “TN.”

§ 655.1101 What are the responsibilities of the government agencies and the facilities that participate in the H-1C program?

(a) *Federal agencies’ responsibilities.* The United States Department of Labor (DOL), Department of Justice, and Department of State are involved in the H-1C visa process. Within DOL, the Employment and Training Administration (ETA) and the Wage and Hour Division of the Employment Standards Administration (ESA) have responsibility for different aspects of the process.

(b) *Facility’s attestation responsibilities.* Each facility seeking one or more H-1C nurse(s) must, as the first step, submit an Attestation on Form ETA 9081, as described in § 655.1110 of this part, to the Employment and Training Administration, Director, Office of Workforce Security, 200 Constitution Ave. NW., Room C-4318, Washington, DC 20210. If the Attestation satisfies the criteria stated in § 655.1130 and includes the supporting information required by § 655.1110 and by § 655.1114, ETA shall accept the Attestation for filing, and return the accepted Attestation to the facility.

(c) *H-1C petitions.* Upon ETA’s acceptance of the Attestation, the facility may then file petitions with INS for the admission or for the adjustment or extension of status of H-1C nurses. The facility must attach a copy of the accepted Attestation (Form ETA 9081) to the petition or the request for adjustment or extension of status, filed with INS. At the same time that the facility files an H-1C petition with INS, it must also send a copy of the petition to the Employment and Training Administra-

tion, Administrator, Office of Workforce Security, 200 Constitution Avenue, NW., Room C-4318, Washington, DC 20210. The facility must also send to this same ETA address a copy of the INS petition approval notice within 5 days after it is received from INS.

(d) *Visa issuance.* INS assures that the alien possesses the required qualifications and credentials to be employed as an H-1C nurse. The Department of State is responsible for issuing the visa.

(e) *Board of Alien Labor Certification Appeals (BALCA) review of Attestations accepted and not accepted for filing.* Any interested party may seek review by the BALCA of an Attestation accepted or not accepted for filing by ETA. However, such appeals are limited to ETA actions on the three Attestation matters on which ETA conducts a substantive review (*i.e.*, the employer’s eligibility as a “facility;” the facility’s attestation to alternative “timely and significant steps;” and the facility’s assertion that taking a second “timely and significant step” would not be reasonable).

(f) *Complaints.* Complaints concerning misrepresentation of material fact(s) in the Attestation or failure of the facility to carry out the terms of the Attestation may be filed with the Wage and Hour Division, Employment Standards Administration (ESA) of DOL, according to the procedures set forth in subpart M of this part. The Wage and Hour Administrator shall investigate and, where appropriate, after an opportunity for a hearing, assess remedies and penalties. Subpart M of this part also provides that interested parties may obtain an administrative law judge hearing and may seek review of the administrative law judge’s decision at the Department’s Administrative Review Board.

§ 655.1102 What are the definitions of terms that are used in these regulations?

For the purposes of subparts L and M of this part:

Accepted for filing means that the Attestation and any supporting documentation submitted by the facility have been received by the Employment
